Softball 1991

One game from State

The girls softball team continued its tradition of excellence this year with an impressive overall record of 27-9, and a 13-1 league mark that made them co-champions of the conference. The young team faired well at tournaments throughout the year, led by pitching ace Amy Koering, who finished the year with a 26-9 record. Their season ended a mere one game short of the state tournament, with a loss by way of a perfectly pitched game by the opposing team.

Volleyball 1991

Statebound

The Black Attack was back in 1991 with Cadillac Style. The girls won the conference with an unblemished match record, conceding only one game in conference play. They made a third consecutive trip to the State Tournament also, and for the first time, they won their first round match. They were then defeated by the soon-to-be State Champions. Five Panthers received recognition from the Mid-East Conference: Susan Koering, Amy Koering, and Delia Pini were selected to the All-Conference 1st Team, Lori Evers to the 2nd Team, and Cara Andrews received Honorable Mention.

Girls Basketball

Co-Champions

The Lincoln Girls Basketball squad had another fine year in 1991-92. A league-tying best 13-1 conference record allowed them to share the Mid-East Champion title. They added seven non-conference wins to their record to finish with a season record of 20-2. The girls advanced with ease through Sectional and District play, until they met, for a third time, Midland, who had defeated them earlier in conference play. In a hard-fought game, the girls came up a little short and finished the year a mere five points from state. The team broke an amazing 18 team and individual records, continuing to set the pace for Panther basketball for years to come.

Girls Track

Tough Competition

The girls track team got a lot of help from the eight freshmen that joined the team. The girls showed noticeable improvement over last year. But unfortunately for them, the competition got tougher. Cindy Trout was the only person from the team to make it past Sectionals and on to State. She finished in a respectable 11th place with a jump of 4'10". The girls look to be really tough next year, as they are returning all of the team.

Cross-Country

Running Strong

The Cross-Country team enjoyed another year of competition in 1991. Although they lost some valuable leadership and experience in Dawn Husmann, Scott Thumma, Travis Ahrens, and Wes Robinson, they received some new leadership from this year's seniors Mary Fast, Darrick Hagen, and Kristyn Edwards. The team's strength was boosted by newcomers Jenny Husmann, Mike Knutsen, and Tim Freeman. Other returning runners included Jessica Kuda, Brad Beck, and Jesse Comer.

Golf 1992

Just a Swingin'

The golf competitors from Lincoln again combined with the C-L team. The golfers had a fun year and made noticeable improvements on their game. All of the members from Lincoln had a best score of under 50, which is very respectable for high school competition. The best score of a single player in a meet this year was a 41, which was shot by Mike Knutsen. The rest of the team, however, was not far behind in the scores. It was a good year to pick up some experience for the young team, which will be back next year.

Baseball 1991

Sub-State Berth

The boys baseball team finished a fun, successful and exciting season with a Sub-State berth. The team ended the season with an 18-6 mark overall, and a Conference-leading 11-3 league record. Seniors Rob Corbett and Ron Jackson led the team by batting .500 in the conference. Juniors Darrin Weiland and Jake Zidlicky also added to the potent Lincoln offense, batting .402 and .382 respectively. The success was however, a team effort. One person was not called to carry the squad all of the time. It was a cooperative effort that led Lincoln to its best season in years.

Football 1991

Another tough year

The Lincoln football program has been struggling the past few years. And although the squad had another tough year this year, the players enjoyed themselves. It was hard for the team to adjust to another new coach, and injuries took their toll on the team again also. The team's 0-9 record did not reflect accurately the season. The squad lost the Homecoming game by only 8 points and the Midland contest by a mere one point.

Boys Basketball

A Pleasant Surprise

Lincoln Basketball surprised the Mid-East Conference by finishing fourth in the league when it was figured to finish last. The team finished with a 6-8 record in conference play and an overall mark of 9-12. The team had several exciting games at home, including a victory over the Bellevue-Marquette Mohawks, who were at the time ranked 4th in the state in class A, and a comeback from 20 points against Midland. The squad lost only two conference games at home, and one of those was a heartbreaker in triple-overtime to Preston. The team made it past the first round of Sectional play, defeating Lisbon.

Wrestling 1991

Three to Districts

Panther wrestling enjoyed a successful season this year, finishing with a 7-2-0 dual record. The team set a new record for wins by pin this year with 134. Three members of the team were inducted into the Panther Fifty Club. Those three were Trent Tuel, with 78 career wins, Darrin Weiland, with 58 wins, and Mike Robinson, with a total of 50 wins for his career. Robinson and Weiland were also two of the three Panthers that advanced past the Sectional meet with second place finishes. The other wrestler to accomplish this was Mike Billick. Unfortunately, none of the three wrestlers succeeded in making it through the District meet, but it was still a season of success for them and the rest of the team.

Boys Track

Off and Running

The boys track team suffered again this year from lack of members. The team had only nine on it. These small numbers seriously limited the number of events that Lincoln could enter and run competitively. But the guys made the best of it. They were stronger in their field events, however. Matt Puffer, returning letter-winner and leading the team in the discus, made it through the Sectional meet and went on to State competition. The Lincoln boys track team made the best of a year in which they were limited by team numbers. They are sure to rebound as soon as they can recruit some more team members.

They performed many songs at the Progessive Vocal and Instrumental Concert and ended the year with several students performing in solos and small groups at the Ice Cream Social. The year was fun.

Problem solving is a futuristic look at some of the problems facing us in the 20th century. It requires a group of hard working and dedicated students with the ability to reason and use their imagination. They come in one morning a week where they do research and also work on activities that expand the mind and creative thinking skills. Then they are off to regional competition where they are given a problem for which they have two hours to come up with 20 other problems and then search for 20 solutions and they rate them to find the best one. All of their research has to be memorized, there are no notes used in the competition. This year they scored above average, but no one went on to state.

The junior high student council works hard every year to put together the student council dance and this year they sponsored the Spring Fling, where they enjoyed pop and pizza. The student council is also proud to be part of the fun and educational Health Day.

This year's junior high football team finished the 1991 season with a 3-2 record. The team was coached by Mr. Wendel and led by ten eighth graders.

Brian Danly led the Panthers in scoring with an overall total of 50 points. He had eight touchdowns, six of which he achieved by running 50 or more yards. Nick Beck had one touchdown and Mark Farring-ton scored a touchdown as the result of an interception.

Mr. Wendel commented that Lincoln's offensive blocking improved greatly as the season went on and that he was very pleased with the performance of the team this year.

SENSATIONAL! That's the word we should use to describe the 1991 junior high softball team. With an eighth grade record of 5-2 and a seventh grade record of 7-0, this team went out with a smash.

The team had that extra something to make them strive to work hard, improve, and to do their best.

Hopefully with the seven returning seventh graders next year, we will again have an undefeated season.

This years 1991 junior high volleyball team was overflowing with a wide variety of skill, ranging from very high to fair. Coach Spickerman said she feels this will be an advanage to the future varsity program.

The nine seventh graders had a fine season playing twenty-nine games and winning seventeen. Although they were young and inexperienced, they had much spirit and potential.

Coach Spickerman commented that the twenty-one eighth graders participating in the volleyball program finished the season strong and with an outstanding record of 14-2. Their enthusiasm made coaching an enjoyable experience.

The nineteen junior high wrestlers made the 1991-92 season a remarkable one indeed. And once again Lincoln was priviledged to share their junior high wrestling program with ten Clarence Lowden wrestlers. The ten hard working eighth graders along with nine determined seventh graders made this team ended up on top! Lincoln had a record of 7-1. This team put a lot of effort into everything they did and made the season a whole ball of fun.

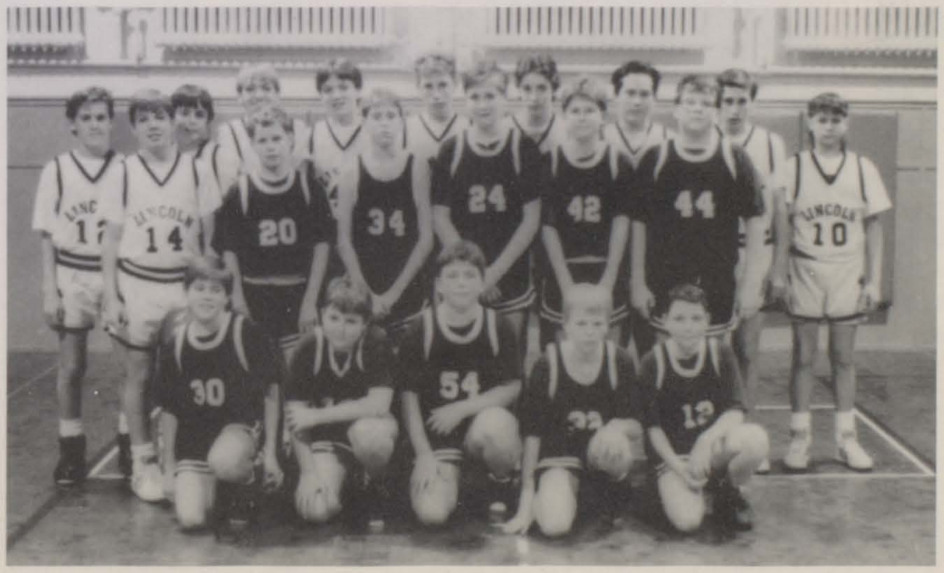
Tim Brown coming in for the lay up.



Row one(L to R): Jesse Clark, Matt Miller, Denny Spratte, Nathan Unruh, and Josh Umbdenstock. Row two(L to R): Ben Litcher, Jeremy Hunter, Lance Oldorf, Nick Beck, Scott Evers, Tim Brown, and Brian Paup. Row three(L to R): Justin Cummins, Mark Farringotn, Keith Lehrman, Mark Dohman, Mike Kern,Brian Danly, T.R. Hoefle, and David Chappell. Not pictured: Eric Glenn, Rob Hartig, Mike Becker, Shawn Siebert, and Bill Bails, Coach.

Nick Beck displays his creative shooting technique.

The season was not as successful as we had hoped it would have been, although the team did manage to place first at the Clarence-Lowden/Olin-O.J. triangular.

Not only was the team large in number but there was also a large amount of talent. They will all be ready to come back next year and attack another exciting season.

Just clearing the bar is eighth grader Paige Stamp.

Mindy Studer pushes herself to the limit just to beat her opponent.

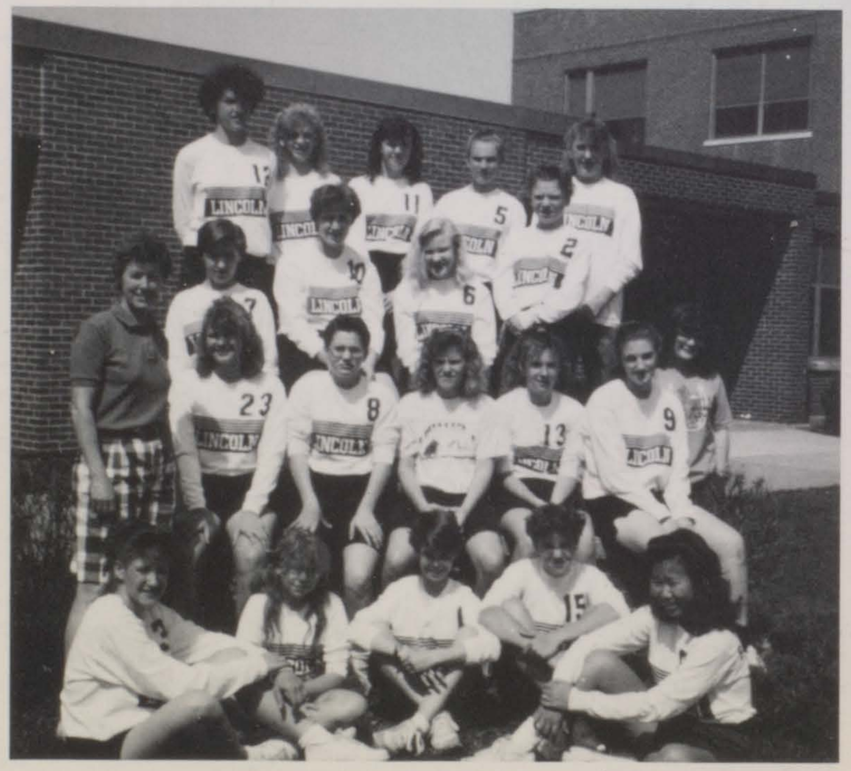
Megan Avon completes her birdlike landing after sailing over a hurdle.



Row one(L to R): Megan Avon, Elizabeth King, Nicolle Renick, Missy Steen, and Robin Sandberg. Row two(L to R): Mrs. Oldorf; coach, Kathy Gravert, Angela Platner, Crystal Bails, Robin Jackson, Melinda Andrews and Michelle Herring; manager. Row three(L toR): Mindy Studer, Megan Thomson, Jessica Moffit, and Rachelle Mullan. Row four(L to R): Paige Stamp, Nicole Jackson, Mandy Platner, Natasha Paup, and Melissa Fisher

This year's boys track team was slightly larger in size and improved from the year past.

With five of the seventh graders returning next year the team should be a success, and with the eighth graders experience they will surely be welcome on the varsity level.

Even though no school records were broken and the scoring wasn't what we would have liked it to be this year, each member set new records for themselves as the season progressed, and they will work hard to better themselves for the next year.

There was a lot of potential and we are sure to see that carry over to next year.

Keith Lehrman successfully lands as he hurdles his way to the end of the race.

Josh Umbdenstock needing a little extra push to the finish line.

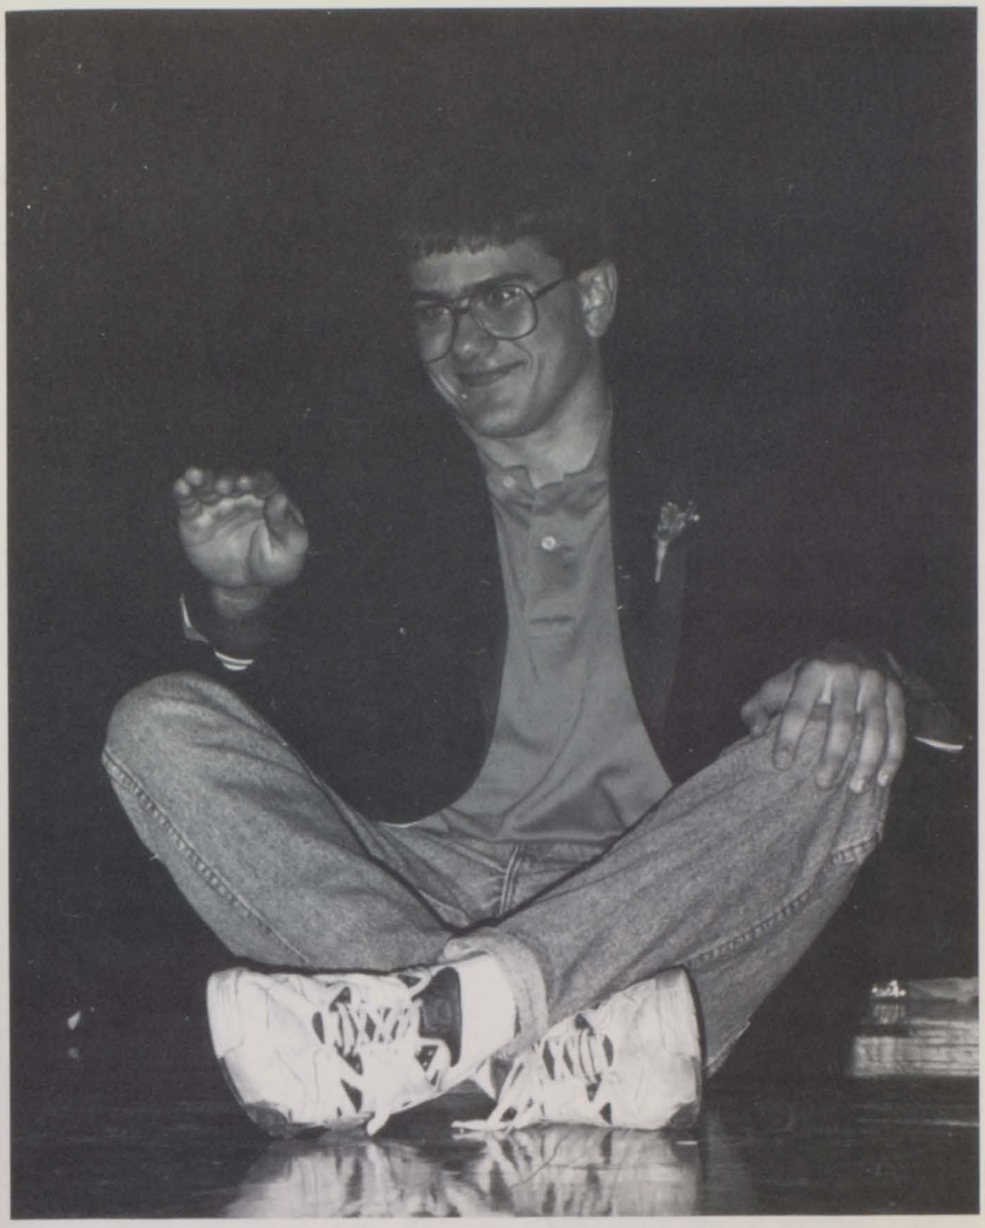
Mandi Weber defies the Law of Balloons.



"Rubber Ducky your the one," sings Mike Robinson as he pretends to be playing in a bathtub as a part of the After-Prom Party lip sync.

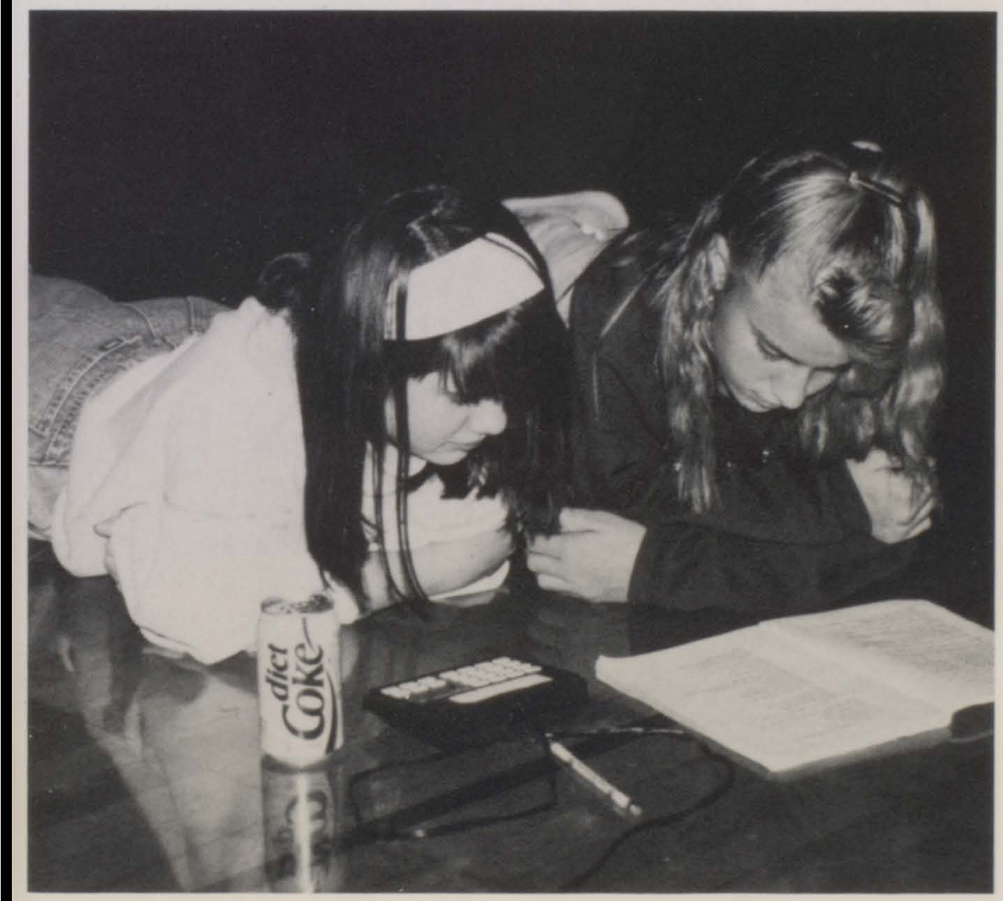
Mandi Fisher puts some emotion into throwing the shot put.

"I think I'll do my hair like this," says Shelby Billick while decorating for prom.



Concentrating on the script for light cues, Stacey Goodman and Jenny Hussman take a relaxful position on the floor.
